

Calling Kildare organisations

One Stop Shop at Newbridge Town Hall, Main St.

Thursday November 10th 5pm to 7pm

Newbridge has been chosen as one of the towns that will be the location for the Immigrant Council of Ireland's 'Participate' project next month. The 'Participate' One Stop Shops are aimed at facilitating increased civic, community and political participation of migrants in Ireland.

The Immigrant Council of Ireland is putting a call out for organisations in Kildare that may be interested in participating in the One-Stop-Shop, by hosting a stand or table at the event. If you are an organisation, club or group in Kildare that is looking for new members, participants or volunteers please get in touch.

The Immigrant Council will be providing information on applying for citizenship at the One-Stop-Shop, Kildare Volunteer Centre will be providing information on hundreds of local volunteering opportunities and Kildare County Council will be facilitating voter registration. Travel expenses for participating organisations can be reimbursed.
