

Kildare Local Economic and Community Plan 2016-2021 Consultation Phase Open.

How well do you know Kildare? Here are some interesting facts:

‘Kildare has grown by more than 70 per cent in the last 20 years and is now home to five per cent of Irelands total population. More than one in two of Kildare residents live in the ten largest towns. Over forty per cent of the total workforce work outside the county. Kildare has the third youngest population in the state.’

Kildare County Council wants your views on how factors like these impact your life. A local economic and community plan is now being prepared to set out objectives and actions for economic and community development in the county over the next 6 years.

As a first step please complete a short online survey about Kildare at: <http://kildare.ie/county council/lecpsurveyform/>

You can also make submissions using the following options

1. Online at: <http://kildare.ie/county council/KildareLECP/>
2. By email to: lecpsubmissions@kildarecoco.ie
3. By post to: Lorcan Griffin, Forward Planning Section, Aras Chill Dara, Devoy Park, Naas, Co Kildare

The consultation process will run until September 11th 2015
